

MERRY CHRISTMAS from the Federal Girls

We wanted to take this opportunity to wish you and your family a very Merry Christmas and New Year. We appreciate all the business you have given us and look forward to handling your future motorcycle needs. Looking back on 2011 and forward to 2012—just a short update on the Motorcycle staff this year.

Jackie - Continues to ride her motorcycles as often as possible. She is finding it harder and harder to get everything done outside of the office that she wants to do, so her plan is to retire the end of 2012. She will have 39 years in with the company. **Her next career goal - Mistress -- submit \$\$ portfolio \$\$ for consideration !!!!**

Jennifer - Continues to be the office "jet-setter Social Butterfly". Tries to keep the girls in the office happy—supplied w/bagels, gifts from customers, etc and keep the drivers & customers happy (if possible). Upon Jackie's retirement, will become the new Manager of the dept. She has been at Federal for almost 19 yrs. Has a wonderful dog, Lucy, who is spoiled rotten & helps her husband, Jim, raise cattle at their in-laws farm.

Mary - She just got engaged to a customer that she hasn't met yet—but according to Gary Perisho, he has a great smile! All kidding aside, she has been a motorcycle coordinator for 8 years and LOVES her job! She has 3 beautiful grandkids and looks forward to spending more time with them.

Diana - She is the "Harley Momma" of the dept. Rides a Sportster 883L and enjoys going on weekend rides. She currently registers most of the motorcycle shipments. She has been with us since June 2010.

Julie - Continues to be the "Full-time, Part-timer". She keeps the office laughing (when she is here). She has been a motorcycle coordinator for 3 ½ years.

Judy - She just found out that she will be a Grandma for the 3rd time in June 2012. She currently has 2 grandsons. She has been a motorcycle coordinator since July 2010.

Barb - She ran away from home to greener pastures in August 2010. However, she had to grow up reluctantly and find employment once again. She had been with us for 10 years when she retired, and then came back to work in April 2011 as a Motorcycle coordinator. **She likes the state of I-DA-HO!**

Karen - is the head tracking person. She has been a Tracker for 10 years. She has 3 beautiful grand-daughters. **She is our little red-headed firecracker—don't mess with her!** Karen loves to work in her garden & cook.

Vickie - She has been in the Motorcycle department for almost 9 years as Billing clerk and tracker. Her baby is her lab dog, Mallory. Thank goodness the vet was able to prevent Vickie from becoming a grandmother this year! She enjoys shopping with her girlfriends on her days off.

Breana - She left us for greener pastures. Being the baby of the group, we were afraid we would corrupt her, but little did we know, she ended up corrupting us! She moved to Minnesota to be closer to her college friends in Minneapolis. We wish her the best & she will be missed by all !
